JOBTARGET - Partner Marketing Template (for webpage purposes)

What we do:

30 words:

JobTarget simplifies hiring with a powerful recruitment platform that integrates with your ATS, connects to 25,000+ job sites, and offers expert support to help you attract top talent quickly.

60 words:

JobTarget empowers HR teams with a robust recruitment platform that integrates directly into your ATS. With access to over 25,000 job sites and streamlined distribution tools, recruiting becomes more efficient. Combined with strategic advertising and personalized support, JobTarget helps employers improve job ad performance and hire top talent faster—all from one central, easy-to-use platform.

90 words:

JobTarget is a comprehensive recruitment platform designed to empower HR leaders and hiring teams. Seamlessly integrating with your ATS, it connects you to over 25,000 job sites and consolidates all your recruitment tools in one place, simplifying job distribution and optimizing hiring workflows. With built-in advertising solutions and dedicated 1:1 support, JobTarget enhances the reach and effectiveness of your job ads. The result? A faster, smarter way to attract and hire the right candidates—so your team can stay focused on what matters most: building a high-performing workforce.

Solution (with value propositions) overview:

Get in front of the candidates you need.

Finding top talent takes time. But with JobTarget, we optimize your recruitment advertising and centralize all of your recruitment data, within ContinuumCloud — bringing qualified candidates directly to your hiring team.

With access to over 25,000 job sites, automated programmatic job advertising, compliance tools, resume database mining, recruitment data, and so much more, JobTarget offers a range of hiring tools to get your job ads in front of the right candidates and meet your goals.

About JobTarget:

- 20+ years of recruitment advertising experience
- Serving thousands of companies across all industries
- Focused on developing top-notch products and maintaining excellent one-on-one service

The Integration:

JobTarget is integrated directly into ContinuumCloud and offers a range of hiring tools to get your clients' job ads in front of the right candidates to meet their goals.

Our industry-leading recruitment ecosystem will connect ContinuumCloud customers to new audiences, niche job boards, and better data — increasing your reach, getting in front of quality candidates faster, and expanding your recruitment and hiring opportunities.

What This Means for ContinuumCloud customers:

- Enhanced job posting capabilities including access to 25,000+ job sites
- No more bouncing from job board to job board — gain direct access to a database of 90M+ job seekers that you can proactively reach out to, all within the JobTarget platform
- Improved hiring efficiency and effectiveness
- Customized solutions for any budget
- Access to recruitment advice (no cost to consult)
