

Healthcare Recruitment Solutions

Fill Healthcare Roles Faster – With One Powerful Platform

Streamline Healthcare Recruitment

Target high-demand clinical roles, reduce vacancy times, and centralize application management across facilities with JobTarget's healthcare recruitment platform.

The JobTarget Solution

All Your Healthcare Hiring Tools, One Central Hub

Healthcare Job Board Access

Post to 25,000+ job boards—including leading healthcare-focused sites like HiredNurses, Health eCareers, Nurse.com, PracticeMatch, ENP Network, Triad, MedReps, and more.

More Qualified Applicants

Expand your reach with programmatic job advertising and targeted distribution to both general and niche healthcare networks.

Faster Hiring

Automate your workflows so you can fill urgent roles 3x faster and reduce time-to-hire.

Skill & Credential Matching

Advanced filters and intuitive search make it easy to surface candidates with the right experience and qualifications.
